

## Safari Edventure Day 2008

On October 2, 2008, the third grade classes from Village had the privilege of attending the Safari Edventure Day at the Emporia Zoo. The event lasted from 10:00-2:00 and each class was able to enjoy a variety of activities. The activities ranged from practicing calling 911, planting flowers, and recycling to spraying a fire hose at a mock burning house. The students were able to learn a lot and enjoy several activities geared for their age group. Below are some pictures of events Miss Swanson's 3<sup>rd</sup> grade class attended. The other third grade classes from Village that attended were: Mrs. Meyer, Mrs. Neises, and Mrs. Straub.
